

Senior Pictures

Dear members of the Class of 2011:

It is time to start thinking about senior pictures for next year's yearbook. You may make arrangements with ANY PHOTO STUDIO for your senior picture.

IT IS YOUR RESPONSIBILITY TO TURN IN TWO WALLET SIZE COLOR GLOSS PRINTS (WE WILL ONLY USE HEAD SHOTS AND PLEASE SUBMIT ONE POSE FOR BOTH PICTURES)

or

A (ONE) DIGITAL IMAGE (HEAD SHOT) ON CD (this is the preferred method and most photographers supply this) TO THE YEARBOOK/PUBLICATIONS OFFICE D10 BY FRIDAY NOVEMBER 12, 2010.

One photo will be used in the senior portrait section of the yearbook. The second photo will be used in the North Scott Press graduation supplement (May 2011).

All portrait sittings should be completed by Friday, October 22, 2010. By completing your sitting by this date, the studio will have enough time to process the photos and return them to you or turn them into the yearbook staff. ****Be sure to check your studio because some send us your pictures!!**

John Mohr Photography will be at the high school on Wednesday, October 13, 2010 from 11:15 until the appointments are done for anyone who would like a yearbook photo but did not have time to complete the deadline, or get senior pictures taken. You are under NO OBLIGATION to buy; John Mohr is providing this free so you can have your senior picture in the yearbook and the graduation supplement in the NSP.

Thanks,
The Shield Staff
